

Who Is Lane?

Lane is a construction company specializing in multiple sectors including Highways and Bridges; Rail, Metro and Mass Transit; Tunneling; Civil and Industrial Buildings, Airports; Power and Energy, Locks and Dams; and Plants and Paving.

We are highly skilled in major complex infrastructure projects and leverage on the worldwide experience of our parent company, Salini Impregilo. Lane is ranked the No. 3 Highway Contractor (ENR) in the U.S.

Why Lane?

We help each other grow. Lane's employees are the foundation of our success, and we are committed to helping you build a meaningful career through on-the-job training, promoting from within, and college opportunities. You help your career reach its highest potential by seizing opportunities and accepting new challenges. We develop skills today that will benefit you tomorrow. We build a safe and rewarding work environment that is essential to long-term success for our employees.
